Northland Senior High School

1919 Northcliff Drive

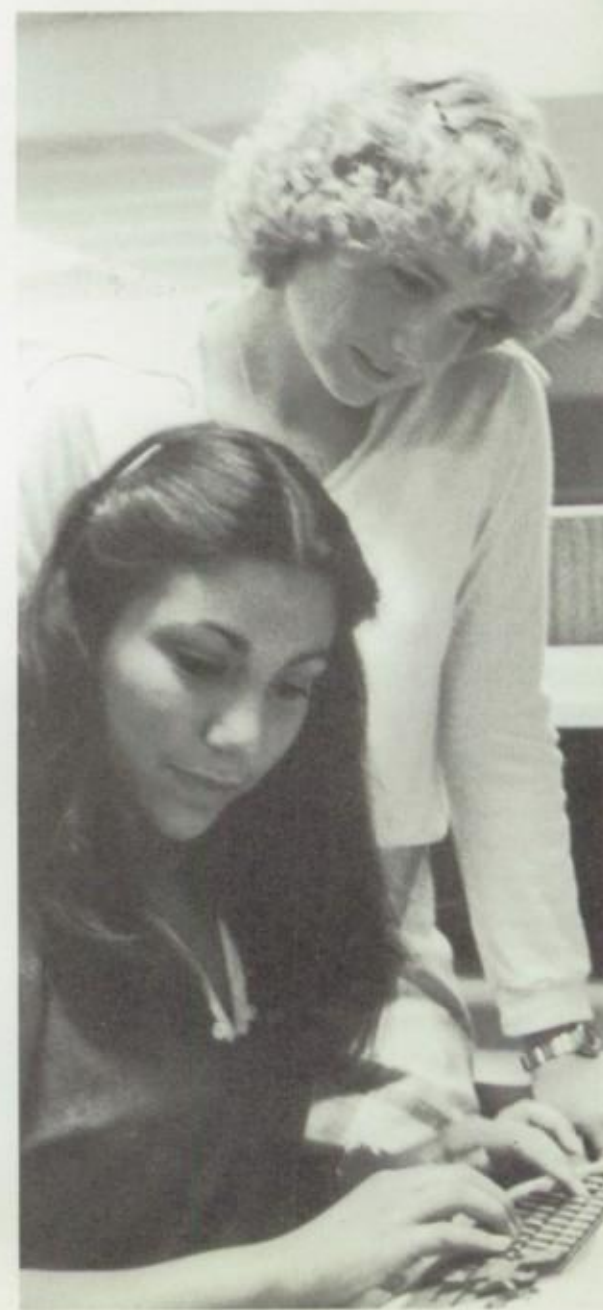

Columbus, Ohio 43229

Kathy Botkin, Editor

Northland opened its 1980-81 school year in two days. The freshmen and sophomores came in on September 4th and the juniors and seniors started school on September 5th. However, the opening days were a bit more confusing than past years due to a strike by city non-teaching employees. For nearly two weeks, Northland and all city schools were without secretaries, janitors, bus drivers, and cafeteria workers. In the meantime, administrators were helping to serve cold lunches, answering phones, and sweeping floors. The strike ended September 16 and buses were rolling again to start the second year of the Columbus desegregation plan.

With the beginning of the 1980-81 school year came many changes throughout the school system that had a direct effect on Northland. High school became a four year program including freshmen, while junior high schools converted to three year middle schools. Also, Northland added a program for the deaf and hard of hearing students. All of this made for a much larger student body, over 1600 people, a larger faculty, and a very crowded building.

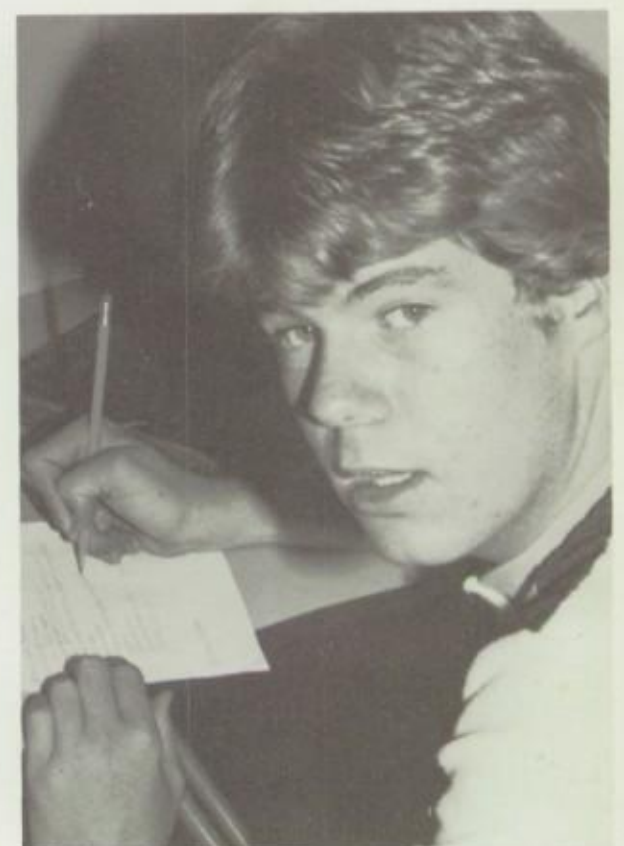

As seniors, the class of '81 took on great responsibilities. The first of many was to elect senior class officers in the spring of our junior year. To us came the job of being the leaders of four classes, of which fifty percent were new to Northland. Senior class activities started with Senior Sweats Day in early October and followed a few days later with Senior Reception and the choosing of the 1980 Homecoming Court. During this time, applications for the ACT's were being mailed and our futures after high school were being decided. All of this made for a very busy beginning of our senior year.

Getting back to school was a time of anticipation and fear. Waiting to see the friends you haven't seen all summer and dreading that you won't know anyone in your classes. But by the end of the first week you discover that you have made new friends in class. To promote a spirit of togetherness Northland has club periods and a wide range of clubs to choose from. In mid-September we had the opportunity to sign up for clubs; however, someone forgot to tell the underclassmen that you can't just sign up for National Honor Society. Nevertheless, club period is a time to see old friends, make new friends and have good times.

SENIORS

The Northland class of '81 has come a long way in three years; we have grown together in spirit, education, and fun. We have made our voices heard in every school activity from sports to clubs to academics. The early highlights of our senior year were the senior breakfast, Homecoming, the painted "Viking" wall, and going to the football City Championship. This year has brought us face to face with ourselves, having to make decisions about our future, taking the ACT or SAT, applying to colleges for financial aid, going into military service or deciding to get a job. Whatever those decisions may be, we look back on our high school career with pride and look forward to the future with hope.

Homecoming 1980, the main event of the fall season, was a huge success from the pep rally to the dance. Homecoming activities included homeroom decorations, building club floats, and preparing for the dance. Tensions ran high Friday night, October 17, as the rain began to come down during the Homecoming parade and we faced Mifflin, last year's City Championship team, who we beat 7-0. The theme of the Student Council sponsored dance was "Stairway to the Stars." The dance featured music by The Nelson Foucht Octette and the coronation of the Homecoming queen.

JUNIORS

The Junior class has earned many responsibilities. We have learned from the seniors and also helped the sophomores and freshmen. The class of '82 is one-of-a-kind and is an important part of making the Viking spirit what it is.

The past two years have greatly influenced our lives, and each of us has set our own goals. Next year, as seniors, we will strive to reach these goals and will proudly carry on the title of "Seniors."

Bill Botkin is wide awake for his first period class.

FACULTY

The Administration and Faculty are some of the most influential people in our high school years. Together they strive to turn out well-rounded individuals in the short time of three to four years.

They are here to offer us an education and prepare us for the future. But the special teacher is the one that gives of his or her time after school hours. A special thanks should be given to all those who are coaches, newspaper, yearbook or club advisors.

This year the yearbook staff asked the staff to tell us what their favorite song was to coincide with the title of our book, *Viking Sounds*. Song titles are in quotation marks.

Football is 1980 City Champs

The Pride of Northland High School in the fall of 1980 was an electrifying Viking Football team, which came away with the City League Championship.

While fans chanted, "Astroturf, Astroturf!" the Vikes rolled to a 7-0 Homecoming victory over last year's City Champs, Mifflin, and a 14-7 defeat over area arch rival Beechcroft.

The night of November 7, 1980, was a night of jubilation as Northland went into Franklin County Stadium to play the City League South Champs. They came away with a 21-14 victory over the Eastmoor Warriors. The win was the fourth City League title for Northland High School under the direction of Head Coach Frank Howe. The team, which gave up only 38 points in ten games, had the best defensive record in the history of Northland.

Bob Myers receives protection from Rod Ferguson and Rick Burt.

The team proudly carries Coach Howe off the field after winning the City Championship.

Domination, awesome, and total team effort describe the 82-48 victory. Having one of the toughest Central Ohio schedules, including Hartley, Watterson, and Mansfield Malabar, the Vikings proved to be one of the area's strongest teams, with a regular season record of 17-2. Captains, Sharon Curd and Shawn Steward, repeated as first team All City and were joined by teammate Georgeann Wells. Carla Vincent received second team All-City recognition and Lori Diggins was named to Honorable Mention All-City.

In September a new team will be formed, and they will start competing hopefully on their way to the top. Mrs. Norman was the advisor for the team.

Valhalla

The yearbook staff is a special group of hardworking, devoted students. The staff is formed in the preceeding school year and begins work in the summer, selling ads, planning a theme and the next year's yearbook.

Many of us have spent sleepless nights trying desperately to make a deadline. However, yearbook is not all work and no play. We do have our share of parties. Besides parties to celebrate deadlines, we also have a party for new members and a picnic at the end of the year. This year we feel that the fruit of our labor, the 1981 Valhalla, is definitely a reason to celebrate.

Cheerleaders

This year the cheerleaders participated in many activities. This summer they attended a cheerleading camp at Ohio University, while there, they won the spirit award twice and Varsity was runner up in the Pom Pom routine competition. This year the cheerleaders sold pizzas to raise money for the cheerleading account as well as having receptions for the teams that won City Championships.

Instrumental Music

Northland's Instrumental Music Department has long been recognized for its exceptional performance. Under the direction of Mr. Jerry McAfee, the students who make up the orchestra and bands have shown that their dedication complemented their talent. The symphonic band played this year at Avalon Elementary School. Also, some students formed ensembles and participated in the OMEA competition. They also played at graduation. Orchestra performed in the Christmas program. Stage band, in addition to performing at pep rallies and assemblies, this year played at the school for the blind and in the Viking Varieties.

Vocal Music

The vocal music program had a difficult year with the changing of instructors throughout the year. The Christmas Concert and Spring Concert were directed by two different directors. Some students from Concert Choir were chosen to represent Northland in the All-City Choir that performed at St. John's Arena. The group sang, "I Sing the Body Electric" from the movie "Fame," "Shenendoah," and several others. Mixed Ensemble performed downtown at the Centrum. The Barbershop Quartet performed in Viking Varieties. The directions were Mr. Gall and Miss Hurst.

Morning Announcements

Communication is a vital part of daily life at Northland. The Morning Announcements given every day over the P.A. by Jeff Fratianne and Rita McDevitt, provided students with up-dates on sports, news, and information on school activities.

Mascot

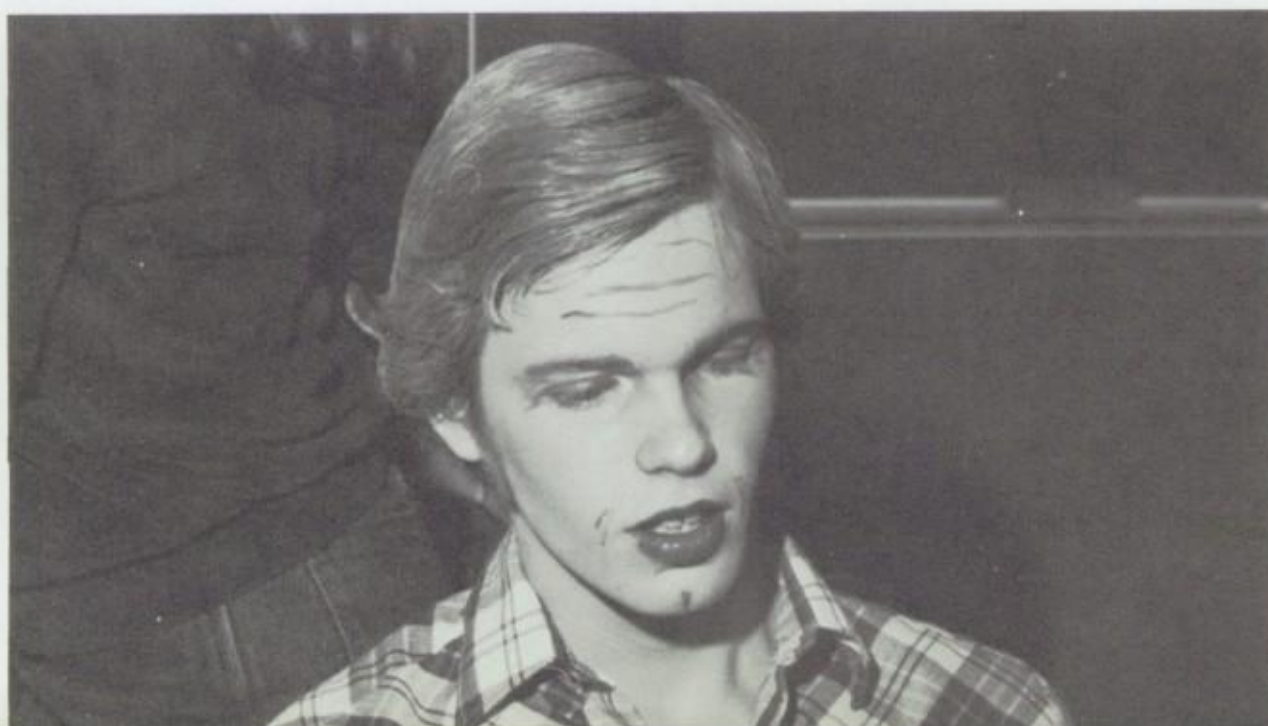

This year's Viking Mascot was junior Marc Schmid. He exemplified the Viking strength and spirit by leading the fans in cheers.

Ring 'Round the Bathtub

The fall play, *Ring 'Round the Bathtub*, was presented on November 14th and 15th. The play centers around the Train Family during the depression. The cast members worked on the play after school under the direction of Mr. Lewis and student director, Betsy Brooke. Stage crew and committees worked on the play to provide lighting, the set, props, costumes, make-up, publicity, box office workers, and ushers. Several stage crew members were members of an additional patchwork crew, who worked on more than one committee.

Ring 'Round the Bathtub was the 32nd performance at Northland. We recognize Mr. Lewis for his dedication to Northland and its students. The cast and crews worked long, hard hours on the performance and when the lights came up on November 14th, it was evident.

Stage Crew

Stage Crew is a service organization that provides backstage crews for all productions at Northland. Not only do they work on the three major theatre productions of the year but also on instrumental and vocal music programs, assemblies, basketball games, and football games. This year's stage crew included 7 masters and 21 apprentices. Along with Drama Club, Stage Crew sold M&M candies and Bic pens to raise funds for a headset for communication between the light booth, and the different parts of the stage. The group is led by Mr. Lewis.

Drama Club

Drama Club is an organization for students interested in theatre. Drama Club often works with stage crew towards a common goal, like raising funds for the headset for the stage. During the month of December, Drama Club and GAA went around the community from door to door asking for non-perishable food items for St. Stephens' Community House. In February, Drama Club members had an opportunity to go to Capital University for a workshop, discussing mime, make-up, fencing, and stage movement. While at Capital, the members saw "Cyrano de Bergerac." A former Northland High School student, Sara Feole, played the female lead part. Drama Club assisted Northland's 32nd, 33rd, and 34th productions. In November, "Ring Round the Bathtub," in February, "Viking Varieties," and in May, "Up the Down Staircase." Drama Club participated in the Senior Carnival. The year was concluded by the annual awards ceremony. Mr. Lewis is advisor of the group.

Senior Executive Committee

After the Junior Convention last year, the Class of 1981 chose a fine group of people to represent them as Class Officers and members of the Senior Executive Committee.

They set to work last summer on many activities, such as changing the location of the Senior Prom and planning upcoming senior events.

Some of the special senior days the class of '81 had the opportunity to participate in were Sweats Day, Flannel Shirt Day, Dress-Up Day, and Hat and Sunglasses Day.

The Senior Executive Committee also organized the Senior Breakfast, Senior Dinner, Senior Prom, and many other activities.

Senior Class Officers are Pat Tiberi — President, Kathy Wensyel — Vice-President, Tim Rice — Treasurer, Lori Dunaway — Secretary, and John Delcol — Sergeant at Arms. Paul Barnes, June Gray, Patty Ward, Vertis Erkins, and Bill Doughty make up the rest of the Senior Executive Committee.

June Gray, Bill Doughty, Vertis Erkins, Paul Barnes, Kathy Wensyel, Mr. Blake (activities coordinator), Pat Tiberi, John Delcol, Patty Ward, and Tim Rice.

Dear Elaine,

I wish you all the luck in the world as you prepare to become editor next year. We both realize what hard work and dedication it takes to fulfill this position. We also both know what a thrilling experience it is to see the finished product, and in the end it is all very well worth it. Best wishes for your senior year and continued success.

— Kathy Botkin

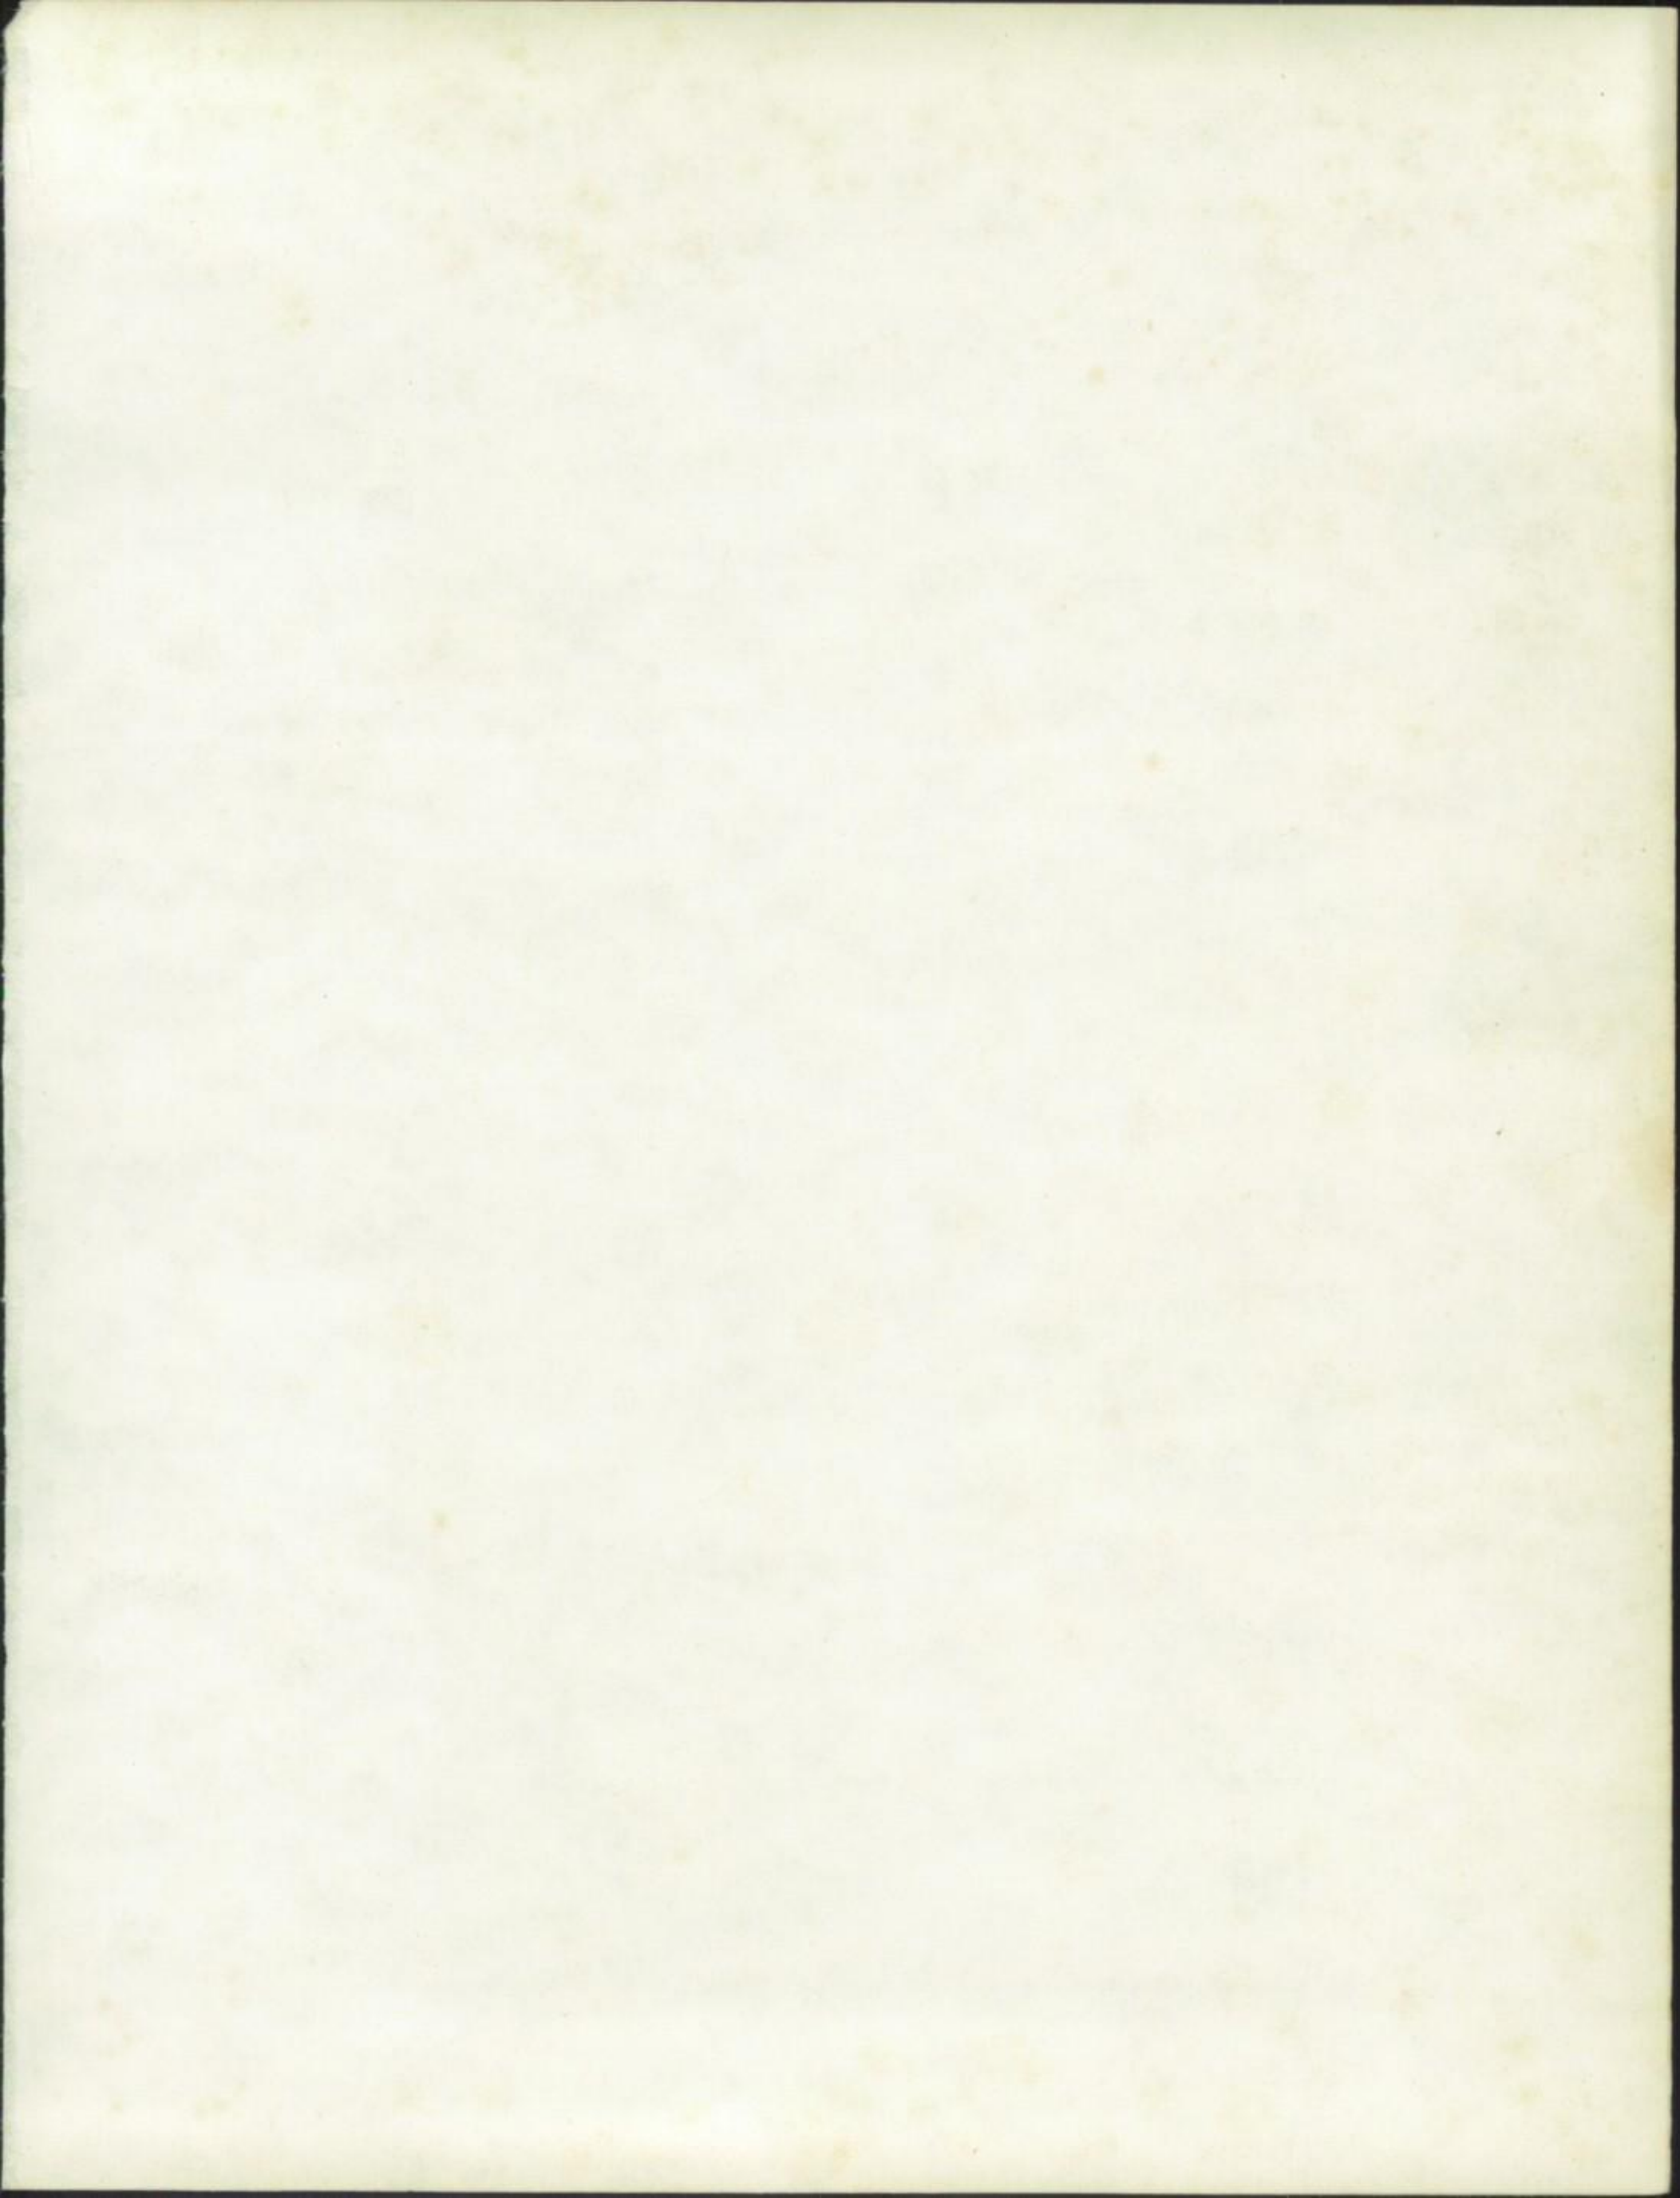

In the past two years I have had the great pleasure and fortune to work on the Valhalla staff. In my capacity of editor I have worked with many people who have all been very special to me. I owe a great deal of thanks to Wes Mirick, our representative from Taylor Publishing Company, who made many much needed trips to give me reassurance. Thanks to our friends and photographers from Beverly Studio, Greg Chachoff and Larry Creech. They provided us with many fine photos to use this year.

My very, very special thanks to my wonderful staff of the 1981 Valhalla, who strived so very hard to give me all their time, help, ideas and support. I think the twelve of us have done the best job anyone could.

When the school is silent and the halls empty and quiet, I shall always remember the Viking Sounds that made up this year and these special 256 pages.

Kathy Botkin
